

Recommendation Form 2025

Instructions for the applicant

Please pass this form to each of the two referees whom you have asked to write a recommendation for you. Please inform the professor/instructor/lecturer that the recommendation form is to be sent directly to the Ruhr Graduate School in Economics (via mail or via email to the address provided in the box below).

Note to the professor / university instructor / lecturer

The candidate is applying for admission to the **Ruhr Graduate School in Economics** (RGS Econ, www.rgs-econ.de). We kindly ask you to complete this evaluation form to help us assess the applicant's ability to successfully participate in an internationally competitive Ph.D. program in Economics.

The Ruhr Graduate School in Economics (RGS Econ) is part of the Research Academy Ruhr and combines the expertise of the four UA Ruhr economics departments and the RWI - Leibniz Institute for Economic Research, one of Germany's leading economic research institutes.

The PhD program offers postgraduate education in all fields of economics, covering theoretical and empirical methods in microeconomics, macroeconomics, econometrics, and allowing for specializations in e.g. monetary, behavioral, experimental, labor, health, industrial, resource, international, public, and theoretical economics. It combines rigorous, PhD-level course work with an exposure to the research environments at four economics departments, opportunities in policy-oriented research at the RWI, as well as a structure that fosters collaboration, facilitates networking with the international community, and provides sufficient guidance for a timely completion of high-quality dissertations.

RGS Econ is looking worldwide for applicants with an excellent academic record, a Master's or equivalent degree in economics or related fields, and a high research potential. Especially your assessment of the latter is highly appreciated.

You may answer in English or German, as you prefer. **We thank you for helping us in choosing the right candidates.** This recommendation will be held in strict confidence.

Please send your completed recommendation form **before March 24th, 2025**

via mail to the director of RGS Econ, Prof. Dr. Christoph Hanck:
